

Athens 22/3/2021

Dear president of the executive committee of World Physio's member,

On 4-6 May 2022, Athens, Greece will host the 9<sup>th</sup> International Conference of Physiotherapy in Psychiatry and Mental Health. Its theme is "**Physiotherapy in mental health? What's next?**"

The conference is organised by the International Organisation of Physical Therapy in Mental Health (IOPTMH), a World Physiotherapy subgroup, in collaboration with the scientific section "Physiotherapy in Mental Health" of the PanHellenic physiotherapist's association.

It will be conducted in a **hybrid manner** (physical presence & online monitoring) in full harmonisation with the Greek Ministerial Decisions and the applicable Health Protocols for holding conferences due COVID-19.

Dear Colleagues,

We invite all of you to contribute at the further scientific progress of physiotherapy in mental health.

Please share the 9<sup>th</sup> International Conference of Physiotherapy in Psychiatry and Mental Health with your members and call them to express their interest in presenting a scientific work to the 9<sup>th</sup> ICPPMH by immediately filling the application form: <https://bit.ly/3tCVVnE> (deadline **April 30, 2021**).

The language of the presentations is English and it is the first time the organising committee of an IOPTMH Conference has been in contacts for the **publication** of all presentations in a reputable relevant journal, contributing inexpensively to the additional enrichment of participants' CV.

In addition, we would ask you to let us know the e-mail of the physiotherapy's schools in your country, so that the 9<sup>th</sup> ICPPMH will be communicate in time to their students.

Awaiting your dynamic response, we remain at your disposal for any further clarification

Yours truly, with kind regards

Prof Stavros Stathopoulos

Chair of organising committee
